SHAWN LEE IS MORE THAN OUR HAMMER REPRESENTATIVE

It is true that **Shawn Lee** is a part of the amateur bowling staff for the Hammer Bowling Ball, and has been for approximately seven years. I'm sure you've seen him at our national and regional tournaments, but there is more to the man that we should know.

Shawn serves most of the Denver Bowling Senate Membership by providing bowling supplies, instruction and sharing information to help develop and enhance their performance in the game of ten pins

He has managed the Bedrock Outfitters Bowling Supply for the past two years and has demonstrated that he truly cares about serving our bowlers by providing them with the best equipment to fine tune their game.

This young man's passion for the sport has propelled him as one of Denver's most outstanding bowlers. He began his bowling interest at the early age of 13 and has rocketed to greatness from that point. He's bowled (23)300 games and (14) 800 series, with his highest series being 846. Some of his other accomplishments are as follows: 2007 TV Singles Champion held in New Mexico; 2008 Denver Open Masters Champion; 2008 TNBA Western Regional Doubles Champion; 2008 Denver Mixed City All Events Champion; 2009 member of TNBA Mixed Team Winners and has been a part of the Team of Honors from since 2006.

When asked how he feels about TNBA he replied he is happy to belong to an organization that promotes scholarships, one that provides great comradery as well as providing a platform to educate and demonstrate bowling performance. **Denver salutes one of its finest!!!**

Congratulations to our 2010 Thanksgiving Youth – Adult Tournament winners.

They are **Landon Niblo** and **Steve Sauls**. Landon has won this tournament 3 of the past 4 years. His great-grandmother was Doris Weinrich who opened Monaco Lanes in 1959 with her husband Johnny Weinrich. Doris was also a youth coach in the early 60's. It was a fun day for all that participated. Thanks to Ron Washington and his wonderful coaching staff.

We Salute JACOB COOPER, Avenger Bowling Club for bowling his second 300 game this year!!
